“ What a great neighbor! I can't say how much I appreciated Bob! He would retrieve rabbits out of my pool, fixed my A/C and all my water leaks! We had so many great times and I was fortunate to ride with him on his Harley and Razor. We really had some crazy, wild times! I cherished our morning walks together and missed them when I moved. We would solve all of the world and life's problems! We swore off numerous relationships we would have with others over the years! It was always a good laugh! Bob was one hell of a great guy and I will miss him immensely!
